

The Pharmacy Management Charter

1. Pharmacy Management will ensure that the ABPI Code of Practice and understood NHS governance arrangements are adhered to in all of the organisation's activities.
2. Wherever possible and appropriate, Pharmacy Management events will be independently accredited.
3. Agendas and format of meetings will be independently devised and reviewed for suitability.
4. Where satellite sessions are offered, the choices of NHS delegates will be respected so far as capacity permits.
5. Sponsored contributions to meetings or journals will be clearly signposted.
6. The educational and promotional content of meetings will be clearly separated.
7. Senior members of the Pharmacy Management team will always make themselves available to answer any professional concerns should they ever arise.

A handwritten signature in black ink, appearing to read 'E F Butler', is positioned above the printed name.
